All ages and abilities are welcome and encouraged.

There are three ways you can get involved with the **North & East Yorkshire Group** of Endurance GB:

Non-member Come along to a pleasure ride as a non-member. Non-members are welcome at all group and national pleasure rides and social events. Non-members pay an increased premium to cover insurance for the day.

Associate members Riders can join their local group as an Associate Member. Associate Members benefit from reduced ride entry rates at local group pleasure rides. Associate Membership is a good route into endurance for those keen to attend more than a couple of rides during the season.

Full membership Endurance GB membership automatically gives you membership of your local regional group. Each horse is given its own log book to record and track progress, enabling you to work up from Novice to Advanced level competitions.

Members are eligible for trophies at the end of each season, rider must help at a **North & East Yorkshire Group** ride. To join go to the EGB website www.endurancegb.co.uk

Competitive and Pleasure Rides

Discover Endurance

Endurance riding in the UK is an ever growing equestrian sport catering for all ages, abilities and types of horses. Endurance riding through the national society 'Endurance GB'

Pleasure Rides are to be completed ideally between 8km/hr and no more than 12km/hr and are easily achieved by all riders. Pleasure rides are run by regional groups of Endurance GB and open to all. These events can also include fun activities such as treasure hunts, fancy dress, pairs and team classes.

GER's (Graded Endurance Rides) these add an element of competition to your ride, as well as the opportunity to ride longer distances. GER's range from 20km all the way upto 160 km, however they are divided into three steps: Novice, Open and Advanced.

Endurance for all:

All our rides are marked with flags, arrows or tape, and you will get a full set of ride instructions including a map. The beauty of this sport is that you can set your own challenges, be that having a lovely weekend of relaxed and fun riding in countryside that you would perhaps not normally have access to or whether you want to have a go at longer distances or some of our more challenging rides. Any kind of horse, and any kind of rider, (Para riders most welcome), can have a go at Endurance Riding. We have Shetlands, Shires, Donkeys and Mules taking part.

If you have an ex racehorse, why not have a look at the **Retraining of Racehorses** information for more information about the awards on offer.

If you are a member of a riding club team, have a look at the **Riding Club Team Championship page** for more information about the Riding Club Championships.

Pony Club members, have a look at the **Pony Club** information to find out what is on offer including the Pony
